HIERARCHY OF THE CATHOLIC CHURCH

The Catholic Church is a structured society. It is organized along the following lines for purposes of pastoral service and orderly government and administration.

The pope is the supreme head of the Church. He has primacy of jurisdiction as well as honour over the entire Church and all of its members.

Bishops, in union with and in subordination to the Pope, are the successors of the Apostles for care of the Church. They serve the people of their own dioceses with ordinary authority and jurisdiction. They also share, with the pope and each other, in common concern and effort for the general welfare of the whole Church, and in various ways act in concert with the pope and each other in a collegiate manner.

Bishops of exceptional status are Eastern Rite patriarchs who, subject only to the pope, are heads of the faithful belonging to their rites throughout the world.

Subject to the Holy Father and directly responsible to him for the exercise of their ministry of service to people in various jurisdictions or divisions of the Church throughout the world are: resident archbishops and metropolitans (heads of archdioceses), resident bishops (heads of dioceses), vicars and prefects apostolic (heads of vicariates apostolic and prefectures apostolic), certain abbots and prelates, apostolic administrators. Each of these, within his respective territory and according to the provisions of canon law, has ordinary jurisdiction over pastors (who are responsible for the administration of parishes), priests, religious and lay persons.

Also subject to the Holy Father are titular archbishops and bishops (who have delegated jurisdiction), religious orders and congregations of pontifical law, pontifical institutes and faculties, papal nuncios and apostolic delegates.

Assisting the pope and acting in his name in the central government and administration of the Church are cardinals and other officials of the departments of the Roman Curia.

THE SYNOD OF BISHOPS

In virtue of a document entitled "Apostolica Sollicitudo" issued on his own initiative on September 15, 1965, Paul VI provided for the establishment of a Synod of Bishops to advise the pope on matters pertaining to the welfare of the universal Church. This enactment founded the Synod as a juridical body having the nature of an ad hoc committee of representative bishops which the pope can activate and call into session at any time.

★ The purposes of the Synod are: "to encourage close union and valued assistance between the Sovereign Pontiff and the bishops of the entire world; to insure that direct and real information is provided on questions and situations touching upon the internal action of the Church and its necessary activity in the world of today; to facilitate agreement on essential points of doctrine and on methods of procedure in the life of the Church."

★ The Synod is a central ecclesiastical institution, perpetual by nature.

★ It is directly and immediately subject to the pope, who has authority to assign its agenda, to call it into session, and to give its members deliberative as well as advisory authority.

★ In addition to a limited number of ex officio and a few religious participants, the majority of members are to be elected by and representative of national or regional episcopal conferences. The pope reserved the right to appoint the general secretary, special secretaries, and no more than 15 per cent of the total membership.

The Synod met for the first time on September 29, 1967. After that in October, 1969, 1971, and thereafter every 2 years. The last Synod was in October 1980 dealing with "The Role of the Christian family in the modern world."

THE CATHOLIC CHURCH IN AFRICA
(IMBISA)

During the memorable visit of Pope John Paul II to the African continent in 1980 when he visited six countries the growth of the Catholic Church during the last decade was apparent in many ways. While the Holy Father expressed the highest esteem for the arduous work of that army of missionaries of the past and the present he also stressed the need for the Church to take firm root in the indigenous cultures and to apply the message of the Gospel to the local situation. The number of African priests, bishops and lay workers throughout Africa has grown dramatically over the past two decades. In many countries the pastoral structures as decided upon by Vatican II have been established. For Africa, south of Tanzania and Zaire, a special co-ordinating body came into existence in 1975 :

IMBISA (Inter-Regional Meeting of Bishops of Southern Africa) which "consists of those regions south of the northern boundaries of Angola, Zambia, Malawi and Moçambique, whose Episcopal Conferences have applied for membership of IMBISA and have been accepted".

The general aim of IMBISA is to foster the spirit of communion within the Universal Church and between the Particular Churches (cf Directorium De Pastorali Ministerio Episcoporum, n. 210).

The particular aims of IMBISA are :

To effect and maintain liaison between the Episcopal Conferences of Southern Africa

To provide the said Conferences with facilities for consultation and united action in matters of common interest;

To promote facilities for forming an up-to-date assessment of situations in Southern Africa;

To be in association and communication with SECAM (Symposium of Episcopal Conferences in Africa and Madagascar) and other Regional Episcopal Conferences of Africa.

Secretary General: Fr J Coleman, SDB.

SECAM: Symposium of Episcopal Conferences in Africa and Madagascar: Secretariat SECAM, Box 9156, Airport, Accra, Ghana.

President: Cardinal Paul Zoungrana, Archbishop of Ouagadougou (Upper Volta).
Secretary: Fr J O A Osei.

SECAM has a standing Committee composed of a President and two Vice-Presidents (one from French-speaking Africa and one from English-speaking Africa).

Members of SECAM are as follows: The National Episcopal Conferences of Africa and Madagascar; the Cardinals of Africa and Madagascar; and the members from Africa on the Council of 24 (Sacred Congregation for the Evangelisation of Peoples).

Associate members of SECAM are bishops who do not belong to an Episcopal Conference.

ACEACAM: Association des Conferences Episcopales d'Afrique Centrale et du Cameroun: Archevêche, BP 456, N'Djamena, Chad.

AMECEA: Association of Member Episcopal Conferences in Eastern Africa: Amecea Office, PO Box 21191, Nairobi, Kenya.

THE SOUTHERN AFRICAN CATHOLIC BISHOPS' CONFERENCE (SACBC)

The Church in Southern Africa under the Apostolic Delegation consists of thirty ecclesiastical territories.

Because of the missionary nature of the work of the Church in Southern Africa, the Archdioceses, Dioceses, Vicariates and Prefectures still fall under the direction of the Sacred Congregation for the Evangelisation of the Peoples, also known as the Sacred Congregation for the Propagation of the Faith, in Rome.

The Conference is an association of the Local Ordinaries, other than Vicars General, of the Roman Catholic Church in the Republic of South Africa, Namibia, Botswana and Swaziland, their coadjutors, auxiliaries and other titular Bishops who perform special work entrusted to them by the Apostolic See, or by the Conference itself.

The Conference is primarily a consultative body and its resolutions outside the cases mentioned below have no binding force on the Ordinaries or their subjects except in-so-far as individual Ordinaries consent to support them.

In terms of paragraph 38, No. 4 of the Decree of the Second Vatican Council on the Pastoral Office of Bishops' "Christus Dominus", decisions of the Conference are juridically binding only when prescribed by the Common Law, or specified by a special mandate of the Holy See given "Motu Proprio", or in response to a petition from the Conference, they are made in due form by a two-thirds majority of those present, and are reviewed by the said Holy See.

The Conference is empowered to set up Commissions for the fostering of special objectives and activities. Each Commission shall meet as often as is deemed necessary, but at least once a year.

The Chairmen of the Commissions shall constitute the Administrative Board of the Conference.

Since 1952, the Bishops' Conference has issued statements or pastoral letters in which guidance is given to the faithful in matters of faith and morals especially where these affect all language groups. "In racially pluralistic countries like South Africa, racial prejudice takes on a crucial prominence. It is for this reason that this Conference in Plenary Session finds it necessary to reiterate the vigorous condemnation of discrimination by the Vatican Council: 'Discrimination is to be eradicated as contrary to God's intent (1966)'."

All these letters are published in one volume and are obtainable from the General Secretariate, PO Box 941, Pretoria 0001.

A second volume contains all the Pastoral statements and important declarations made in 1966-1980. This is now available at the same address.

The Conference also publishes from time to time official texts issued by the offices of Congregations or Secretariates of the Universal Church in Rome or issued by the Holy Father Himself. A person wanting to become familiar with the correct interpretation of the teaching of the Church should therefore study both the documents issued by Rome and those issued by the Bishops' Conference or an individual Bishop. Documents published by the Bishops' Conference are contained in two series:

1. PASTORAL ACTION series
2. OCCASIONAL PAPERS series

These are obtainable from the General Secretariate SACBC in Pretoria or from the Catholic Bookshops.

The Conference publishes an Information Bulletin INTER NOS, usually monthly. Since 1970, its fifth year of publication, its scope has widened from reporting on ecumenical news items to covering matters concerning all the pastoral activities of the Conference and its Commissions.

REGIONAL PASTORAL CONFERENCES

The Constitution of the SACBC also says that "it shall be in order for pastoral regional groups of Ordinaries, recognised by the Conference, to come together for consultation and action, within the general context of Conference policy and concern, on matters of particular interest to the Region."

During the seventies this aspect of Church life has developed further in that at present various bodies have been set up to cope with specific pastoral needs especially where it concerns the needs of language groups.

SOUTHERN AFRICAN COUNCIL OF PRIESTS

The Southern African Catholic Bishops' Conference, at its meeting in Cape Town on the 3rd September, 1970, decided to launch preparations for the establishment of a provisional council of priests for Southern Africa.

The first meeting of this provisional council took place at Pretoria in December, 1970. On 9th December, 1970, the provisional council decided that a permanent council of priests should be established. In July, 1971, the Southern African Catholic Bishops' Conference accepted the Constitution of the Southern African Council of Priests and established the Council as a permanent one.

In the words of the Constitution:

"The purpose of the Council shall be to promote, in hierarchical communion, an efficacious sharing of responsibility in the mission of the Church.

To this end, the Council shall serve as:

(a) an instrument for closer co-operation with the SACBC in matters of general concern;

(b) a forum for the exchange and co-ordination of the views of priests as to the mission of the Church, in a true spirit of brotherly unity;

(c) an agency dealing with problems affecting the personal life and ministry of priests;

(d) a medium of helpful collaboration with other legitimately constituted apostolic groups, especially those engaged at national level;

(e) a means of co-operating with Christian and Non-Christian bodies in the development of ecumenical activities.

The priests of the Republic of South Africa, the territories of South West Africa, Botswana and Swaziland are all represented on the Council through delegates from their respective dioceses.

BISHOPS' LENTEN APPEAL

After Vatican II the Bishops of Southern Africa have encouraged the Church on the local and national level to become increasingly self-reliant. One practical step towards this goal has been the annual appeal to all the faithful during the six weeks before Easter to contribute in a special way towards "building up the Church" in the thirty Dioceses of Southern Africa. The response has been generous and is increasing every year. The Director's report of 1981 showed a sharp increase in the collection.

The largest proportion of money received goes towards the "direct need of the poor". Other money goes towards educational projects: bursaries, teacher salaries, priestly formation, Bible translation work and distribution, catechetical formation, Ecumenical projects, etc.

Each Diocese has its own director and meet once a year with the national director to plan the programme of the following year.

Applications from the fund are received and channelled via the Dioceses, the offices of the SACBC or the office of the Director.

National Director: Fr Noel Coughlan OMI, Box 50057, Musgrave Road, Durban 4067. Tel: (031) 282732.

PONTIFICAL MISSION AID SOCIETIES

1. **The Society for the Propagation of the Faith** was founded at Lyons in 1822 by a group of lay people, among whom the central figure was Marie-Pauline Jaricot. With papal encouragement, it spread to the different dioceses of France, then to other European countries and later to America. Since 1928 it has been set up progressively in mission countries, too, and at present it exists in 85 countries. So as to give it wider scope and a more universal character, pontifical status was granted to the Society on May 3, 1922, and its central administration was transferred to Rome. It thus became the Church's official organization for mission aid.

Collection is taken on second last Sunday of October.

2. **The Society of the Missionary Childhood** was founded in 1843 by Bishop de Forbin-Janson of Nancy. From the very beginning it received the support of the Holy See, and quickly spread throughout France, to the other European countries and to America. Recently it has been set up also in several mission countries, and today it is organized in about 60 countries. Its central administration is in Paris. It was given pontifical status on May 3, 1922.

Collection is taken on first Sunday of February.

3. It was in France as well, at Caen 1889, that Stephanie Bigard and her daughter Jeane founded **the Society of St. Peter the Apostle.** With the support of the Holy See it, too, spread to the majority of dioceses in Europe and America. Its central administration was transferred to Rome in 1920, and it was officially given pontifical status on May 3, 1922. It is closely linked to the Society for the Propagation of the Faith.

Collection is taken first or last Sunday of August.

4. **The Pontifical Missionary Union** (Unio Cleri pro Missionibus) was founded in Italy in 1916 by Fr. Paolo Manna. It received papal approval from the beginning and rapidly spread to the majority of dioceses in the world. It is organized in more than [illegible]0 countries at present. It received official pontifical status on April 14, 1937. Though founded originally as an association of priests, its scope was enlarged on July 14, 1949, to take in religious Brothers and Sisters. Its central administration is in Rome.

THE ECUMENICAL RESEARCH UNIT

The Ecumenical Research Unit, sponsored originally by the Anglican and the Catholic Churches, came into existence in 1970 to study existing Christian Organisations, the societies in which they are placed, and how best they might set about fulfilling their mission with insight and understanding.

The Unit achieves this end by using the most up-to-date methods of the human sciences, by employing highly qualified people and committees, and by collaborating with respected international organisations dealing with similar problems. It is a member of the Federation of Socio-Religious Research Institutions (FERES), the International Conference of Sociology and Religion (CISR), and the South African Missiological Society. It also works closely with research units in Nairobi and Uganda. While the methods of scholarship are used, the purpose is always pastoral.

Since its inception, the South African Council of Churches and the Federation of Evangelical Lutheran Churches of Southern Africa have become member churches of the Unit.

Director: Archdeacon John Warden, Ecumenical Research Unit, Box 17128, Groenkloof 0027. Tel: (012) 469011.

SOCIETY OF
THE CATHOLIC APOSTOLATE (SAC)

(PALLOTTINE FATHERS AND BROTHERS)

The Society of the Catholic Apostolate was founded by Saint Vincent Pallotti (1795 — 1850) who was canonised by Pope John XXIII in 1963.

Pallotti recognised the universal obligation of every baptised Christian to be an Apostle and founded his Movement of the Catholic Apostolate with the Society of the Fathers and Brothers and the Congregations of the Sisters as its central and moving force. Although his ideas found little recognition in his own day, they are now universally accepted in the Church and were "canonised" in the "Decree on the Apostolate of Lay People" and other related documents of The Second Vatican Council.

The Pallottine Fathers and Brothers dedicate themselves to all works of the Apostolate. In South Africa they work mainly in the Dioceses of Oudtshoorn and Queenstown. Young men interested in the Society's work are invited to apply to the Regional Superior, **P.O. Box 310, 5320 QUEENSTOWN Phone: (0451) 3814.**

The Headquarters of the Society are at Pallotti Farm, just outside Queenstown. This is the residence of the Regional Superior.

There is also accommodation on the farm for small groups of people for retreats, week-end courses, conventions, Annual General Meetings, Annual Dinners etc. For the Youth there is accommodation in the Youth Centre. Catering and other arrangements are in the hands of Brother Charles Stamm S.A.C. who can be contacted at the above postal address and at Phone No. (0451) 3815 (preferably aft. 7 pm)

ARCHDIOCESE OF CAPE TOWN

Suffragan Sees: Aliwal, De Aar, Oudtshoorn, Port Elizabeth, Queenstown.

NISI DOMINUS IN VANUM

PATRONS:

1. Our Lady of the Flight into Egypt.
2. St. Patrick.

From the time of the discovery of the Cape, ecclesiastical jurisdiction over it appertained to the Portuguese missionary authorities. After the settlement of the Cape in 1652, the practice of the Catholic religion was prohibited by the civil authorities.

Commissioner General De Mist, by an Ordinance of 25 July 1804, declared that "all religious societies which for the furtherance of virtue and good morals worship an Almighty Being, are to enjoy in this Colony equal protection from the laws . . ." and in 1805 three Dutch priests arrived to minister to the Catholics of the Cape. One of them, Father Johannes Lansink, was appointed Prefect Apostolic. The following year the military authorities ordered them to leave.

In February, 1818, Pope Pius VII erected the Vicariate Apostolic of the Cape of Good Hope and adjacent territories. Subsequently the Island of Mauritius was added, and the first Vicar Apostolic, Right Reverend Bishop Bede Slater, O.S.B., having called at the Cape, went to reside there. He was succeeded by Rt. Reverend Bishop William Placid Morris, O.S.B., who also resided at Mauritius.

On 6 June 1837, Pope Gregory XVI constituted the Cape of Good Hope a separate Vicariate and appointed Rt. Reverend Bishop Patrick Raymund Griffith, O.P., as the first resident Vicar Apostolic.

On 24 May 1872, the Prefecture of the Central District of the Cape of Good Hope was detached from the Western Vicariate.

In 1874, the Vicariate of the Cape of Good Hope was divided into the Vicariates of the Western District of the Cape of Good Hope and the Eastern District of the Cape of Good Hope.

By decree of the Sacred Congregation of Propaganda Fide dated 13 June 1939, the name of the Western Vicariate was changed to the Vicariate of Cape Town.

On 11 January 1951, Pope Pius XII established by Papal Bull the Ecclesiastical Hierarchy in the then Union of South Africa, and set up the Ecclesiastical Province of Cape Town, comprising the Metropolitan Church of Cape Town, with the suffragan sees of Aliwal, Oudtshoorn, Port Elizabeth, Queenstown and De Aar.

By the same Papal Bull, the Most Reverend Archbishop Owen McCann was appointed to the Metropolitan See of Cape Town.

The Archdiocese has for its boundaries: on the West, the Atlantic Ocean; on the North, the southern boundaries of the Van Rhynsdorp district; on the East, the western boundaries of the Calvinia, Ceres, Tulbagh, Worcester, Robertson and Swellendam districts; on the South, the Indian Ocean. The civil districts within the ecclesiastical area comprise the following: Cape, Wynberg, Simonstown, Bellville, Somerset West, Stellenbosch, Paarl, Wellington, Caledon, Bredasdorp, Malmesbury, Piquetberg, Clanwilliam. The Islands of Tristan da Cunha, Ascension and St. Helena belong to the Archdiocese.

Area: 30 892 sq km. Total Pop: 2 514 800. Catholic Pop: 161 000.

THE INEVITABLE WILL HAPPEN BUT WE WILL BE THERE TO ASSIST YOU.

These are always painful times — but we can help you through the worst with a little sensible advice and **a lot of understanding.** And give you some peace of mind when you need it most.

St Vincent Pallotti's Mission remains as real for us today as it was for him, in a world that has forgotten God .... "to re-awaken, enkindle, and spread among all people :

HOPE IN HIS PROMISE,
AND LOVE 'AS HE HAS LOVED' "

and so we care for

— the sick in the Vincent Pallotti Hospital, Pinelands/C.T. which has an attached wing for senior citizens,
— chronic invalid children at St. Joseph's Home, Philippi,
— the homeless children at St Mary's, George-Rosemoor,
— aged invalid people at Pallotti Nursing Home, George,
— pre-school children in Nursery schools at George-Rosemoor, Oudtshoorn-Bridgeton, and Dysselsdorp.

We also have Sisters involved in

DIOCESE OF OUDTSHOORN

(Province of Cape Town)

SEDE VACANTE

PATRONESS:
The Immaculate Heart of Mary

The Diocese of Oudtshoorn was established as the Central Prefecture by decree of the Holy See on 24th May, 1872. Up to that date it had been part of the Western Vicariate. On the 13th July, 1874 it was entrusted to the "Missionaries for African Missions of Lyons". The Fathers of Lyons left the Central Prefecture in 1882. The Western part of the Prefecture was then given to the Oblates of St Francis of Sales and a new Prefecture erected in 1884. The Eastern part came again under the jurisdiction of the Vicar Apostolic of the Western Vicariate as the Central Prefecture, until 1922 when it was separated from the Western Vicariate and entrusted to the Pious Society of Missions, now called the Society of the Catholic Apostolate (Pallottine Fathers).

On 13th June 1939, the name: Central Prefecture was changed to Prefecture of Oudtshoorn which was raised to the Status of Vicariate on 9th December 1948. On the establishment of the Hierarchy, 11th January, 1951, the Diocese of Oudtshoorn was constituted. It has for its boundaries on the West: the Eastern boundaries of the Bredasdorp, Caledon, Paarl, Malmesbury, Clanwilliam, Van Rhynsdorp and Namaqualand districts; on the North: the Southern boundaries of the Kenhardt and Prieska districts; on the East: the Western boundaries of the Britstown, Richmond, Murraysburg, Aberdeen, Jansenville (the former Western boundary of Uitenhage district) and Humansdorp districts; on the South: the Indian Ocean, the Northern boundaries of the Caledon and Bredasdorp districts. By Decree of the Holy See the districts Calvinia and Williston were separated from Oudtshoorn Diocese in 1979 and are now under pastoral care of Keimoes Diocese.

With Pretoria as centre, Lydenburg, Barberton, Pilgrim's Rest and later (1887) the Witwatersrand were visited and centres established. DIOCESE OF JOHANNESBURG

(Province of Pretoria)

PATRONESS:
The Immaculate Conception

The territory of the Transvaal was under the jurisdiction of the Vicar Apostolic of Natal, Mgr M F Allard, OMI, as from 5 October 1850, and as early as the year 1854. Holy Mass was celebrated at Mooi River, now called Potchefstroom, by a travelling priest. According to the law then in vogue, "no other religion but that of the Dutch Reform Church was allowed within the South African Republic", but occasional visits were made by priests from Natal and the Free State, until in 1869, Rev Le Bihan, OMI, was appointed to that area. He was immediately responsible for the abolition of this law and subsequent freedom of Catholic worship.

In 1886, the Transvaal was separated from Natal and erected into an ecclesiastical Prefecture, under Rt Rev O Monginoux, OMI, (1886-91), (died 28-11-1917). He was succeeded by Rt Rev A Schoch, OMI, (1892-1898), who died in April 1898. The Rev John De Lacy, OMI, acted in the interim until 1902, when Bishop Matthew Gaughren, OMI, Vicar Apostolic of Kimberley, also served as Administrator of the Transvaal.

The Transvaal became a Vicariate in 1904, with Bishop W Miller, OMI, as first Vicar Apostolic. The territory has since been subdivided, first in 1910, when the northern part was confined to the care of the Benedictines; then in 1923, when the Lydenburg Prefecture was formed under the Missionaries, Sons of the Sacred Heart, then in 1948 when the Pretoria Vicariate was erected, and finally in 1965 when the Prefecture of Western Transvaal was handed over to the Oblates of Mary Immaculate of the Belgian Province.

It comprises the following civil districts: Johannesburg, Alberton, Balfour, Benoni, Boksburg, Brakpan, Delmas, Germiston, Heidelberg, Kempton Park, Krugersdorp, Nigel, Oberholzer, Randburg, Randfontein, Roodepoort, Springs, Vereeniging, Vanderbijlpark, and Westonaria.

With the creation of the Ecclesiastical Hierarchy in the Union of South Africa on the 11 January 1951, the Vicariate was raised to the status of a Diocese.

Area: 14 517 sq km. Total Pop: 3 290 145. Catholic Pop: 453 000.

The Diocese is bounded on the West by the Diocese of Klerksdorp; on the South by the Vaal River; on the East by Lydenburg-Witbank Diocese and the Prefecture of Volksrust, and on the North by the Archdiocese of Pretoria.

Former Ordinaries: Rt Rev William Miller, OMI, DD, consecrated Bishop of Eumenia and Vicar Apostle of the Transvaal, 20 November 1904. Resigned 1912, died 8 November 1927. Rt Rev Charles Cox, OMI, DD, Ordained Bishop of Dioclea, appointed Vicar Apostolic of the Transvaal Vicariate 28 October 1914. Resigned 1924. Died 9 March 1938. Rt Rev David O'Leary, OMI, DD, Ordained Bishop of Phesseitan, appointed Vicar Apostolic of the Transvaal Vicariate 8 September 1925. Retired 8 December 1950. Died August 12 1958. Most Rev William Patrick Whelan, OMI, DD. Ordained Bishop of Legia, appointed Coadjutor Bishop of the Transvaal Vicariate 27 May 1948. Succeeded as Vicar Apostolic 8 December 1950. Appointed Bishop of Johannesburg Diocese 11 January 1951. Transferred as Archbishop of Bloemfontein July 1954. Died 10 February 1966.

MARONITE CHURCH

Church of Our Lady of Lebanon: 61, Mint Road, Fordsburg, Box 42135, Fordsburg 2033. Tel: 834-7128 (011).

The Maronite Church was founded in Johannesburg in 1908.

The Maronite Church is an Oriental Church belonging to the Syriac Liturgy of Antioch ascribed to St James the Apostle. The Liturgical Language is Syriac or Aramaic, while the vernacular has always been in use.

According to the Statute No. 113 of the Diocese of Johannesburg, which is in accordance with Canons 98 & 756, special instructions are given to all priests regarding the baptism of Orientals.

People who belong to the Oriental Rite in South Africa are bound, regarding marriage, to have their Banns called in the Maronite Church, Johannesburg, by order of the Sacred Congregation for the Oriental Church.

The Pope in his "Motu Proprio" of 22 February 1949 published the section of the projected code of Oriental Canon Law which refers to marriage. The new laws abolish those previously in force and apply from 2 May 1949. They bind all persons of Oriental Rite all over the world. These marriage laws differ in many respects from Latin Rite Laws. Whenever a person of Oriental Rite comes to a Latin Rite Priest to be married, he or she remains bound by the Laws of the Oriental Rite. The children follow the rite of the father, or of the Catholic parent in a mixed marriage. This is the case even where they have been baptised by a Latin Rite priest. The fact that they have been baptised and brought up exclusively in the Latin Rite does not exempt them from the laws of their own rite. (The Clergy Review, May 1949).

ARCHDIOCESE OF DURBAN

Suffragan Sees & Prefectures: Marianhill, Umzimkulu, Eshowe, Umtata, Kokstad, Mariannhill, Volksrust, Ingwavuma

UBI SPIRITUS IBI LIBERTAS

PATRONESS: Our Lady of the Immaculate Conception

This Territory was erected as the Vicariate of Natal on 5 October 1850, extending "from the Kei River, that is, from the boundary of the Eastern Vicariate of the Cape of Good Hope, to Quilimane that is, the Eastern extremity of Portuguese territory, and interiorly to the Tropic." It was confided to the Oblates of Mary Immaculate.

The vague delimitation of these boundaries prompted many queries on the part of the first Vicar Apostolic, Bishop Allard, who finally interpreted them as extending Northwards as far as the tropic of Capricorn and excluding Portuguese territory. On 15 March 1876 a clarification was issued to Bishop Jolivet establishing the boundaries of the Natal Vicariate as following the line of the coast from the Kei River to Quilimane, then along the 18th degree of latitude South, down the 18th degree of longitude East, and finally along the course of the Orange River and the frontier of the Cape Colony, leaving British Kaffraria in the Eastern Vicariate.

This huge territory was divided soon afterwards when the Zambesi Mission was confided to the Society of Jesus in 1879. There followed in 1886 the erection of the "Vicariate of the Orange Free State," (comprising the Free State, Basutoland and the Diamond Fields); and the Prefecture of the Transvaal. In 1921 further divisions were made with the creation of the Vicariates Apostolic of Mariannhill, Eshowe and Swaziland.

On the establishment of the Hierarchy on 11 January 1951 the Vicariate Apostolic of Natal became the Archdiocese of Durban.

In 1958 the Northern section of the Archdiocese was detached to form part of the Prefecture Apostolic of Volksrust.

The Ecclesiastical Province of Durban embraces besides the Archdiocese, the suffragan sees of Mariannhill, Eshowe, Umtata, Kokstad, Umzimkulu, the Prefecture Apostolic of Volksrust and the Prefecture of Ingwavuma.

The Archdiocese of Durban comprises the civil districts of Camperdown, north of Umlaas River, (except the farms of Mariannhill, Klaarwater, Dassenhoek, Welbedag and portion of Stockville), Durban, Escourt, Inanda, Kranskop, Lions, River, Lower Tugela, Mapumulo, Umvoti, Weenen, Bergville and part of Msinga.

Area: 20 318 sq km. Catholic Population: 179 748.

FORMER BISHOPS: Rt Rev Marie Jean Francois Allard OMI, Tit. Bishop of Samaria and Vicar Apostolic of Natal, consecrated 13 July 1851 at Marseilles by the blessed Charles Joseph Eugene de Mazenod, Bishop and Founder of the Congregation of the Oblates of Mary Immaculate. Retired in 1873, appointed Archbishop of Taron in partibus — died at Rome in 1889. 2. Rt Rev Charles Constant Jolivet OMI, Titular Bishop of Bellina and Vicar Apostolic of Natal, appointed 15 August, 1874, consecrated November 1874; died at Durban, 15 September 1903. 3. Rt Rev Bishop Henry Delalle OMI, DD, Tit. Bishop of Thugga and Vicar Apostolic of Natal; appointed Assistant at the Pontificial Throne on retirement on 4 April 1946 died at Durban, 15 February 1949.

DIOCESE OF ESHOWE

(Province of Durban)

The Prefecture of Zululand was erected on the 27th August 1921 and entrusted to the Benedictine Congregation of St Ottilien. Before that time it had formed part of Natal Vicariate. On 11 December 1923 it was raised to the status of a Vicariate under the title of "Vicariate Apostolic of Eshowe." With the establishment of the Hierarchy in South Africa it became the Diocese of Eshowe on the 11 January 1951. This Diocese now comprises Zululand proper, (with the exception of the districts of Ingwavuma, Umbombo and Hlabisa), and the four Natal districts of Vryheid, Paulpietersburg, Ngotshe and Babanango. It is therefore bounded on the East by the Indian Ocean, on the South by the Tugela River, on the West by the Tugela, Buffalo, Blood and Didusini Rivers, on the North by the Pongola and Umfolozi Rivers.

Area: 26 397 sq km.   Total Pop: 110 000   Cath. Pop: 61 271.

DIOCESE OF MARIANNHILL

(Province of Durban)

LUMEN GENTIBUS

In 1882 Prior Franz Pfanner of the Reformed Cistercians (Trappists) took possession of what is now the Mariannhill Monastery, with the intention of establishing a Trappist Monastery and commencing the work of evangelisation amongst the local Africans. In 1885 he became Abbot of the new foundation which he called 'Mariannhill'. He resigned from office in 1893, and was succeeded by Abbots Amandus Schölzig (died in 1900) and Gerard Wolpert. Abbot Franz Pfanner died on the 24th May 1909, and about the same time Rome separated the Mariannhill Abbey from the Trappist Order. Mariannhill was then constituted as an independent Missionary Congregation with its official title: The Congregation of Missionaries of Mariannhill (C.M.M.).

In 1921 the Mariannhill Vicariate (up to then part of the Natal Vicariate) was erected, comprising of the southern parts of Natal and the whole of the Transkeian territories. It was sub-divided in 1930 and again in 1935, territories which now form the Diocese of Umtata and Kokstad. In 1954 it was divided again, the territory of the Diocese of Umzimkulu being detached. Rt Rev Bishop Adalbero Fleischer CMM, DD was consecrated Tit. Bishop of Tiberiopolis and Vicar Apostolic of Mariannhill. He retired from office in 1950 and died 19th March 1963.

The civil districts within the ecclesiastical boundaries of the Diocese of Mariannhill comprise the following: Ixopo, Impendle, Umzinto, parts of Bulwer, Himeville, Port Shepstone, Camperdown and Pinetown.

Area: 12 612 sq. km. Total Pop: 850 000. Total Cath. Pop: 247 400.

ARCHDIOCESE OF BLOEMFONTEIN

Suffragan Sees: Kimberley, Kroonstad, Keimoes, Bethlehem, Gaborone.

PATRON : The Sacred Heart of Jesus

Originally the area of the Orange Free State was part of the Vicariate of Natal, which was established by the Holy See on 5th October, 1850, extending from the Kei River in the South and to Quillemane in the north and confided to the Oblates of Mary Immaculate. Bishop J E Allard, OMI, was appointed the first Vicar Apostolic. Consecrated in Marseilles on 13th July, 1851.

The Zambesi Mission to the North of the Limpopo was confided to the Society of Jesus in 1879. Then in 1886 the remaining territory under Bishop C Jolivet, OMI, was subdivided into the Prefecture of the Transvaal and the Vicariate of the Orange Free State, comprising the Free State, Basutoland and the Diamond Fields; on the North and on the West, the Vaal River; and on the East the Drakensberg Mountains. The new Vicar Apostolic, Bishop Anthony Gaughren, OMI, (consecrated in Tower Hill, London, 10th August, 1886) would reside at Bloemfontein. Bishop Q Devereux of Grahamstown had sent Father R Hoenderwangers, O.Praem. to visit Bloemfontein in 1850 and he took up residence there in 1852, remaining as the pioneer priest of the Free State until his return to Belgium in 1869, when his place was taken by Father Le Behan, OMI and later by Father V Bompart, OMI.

When Bishop A Gaughren arrived in November 1886 the train terminus from Cape Town was Kimberley and so he took up residence there, travelling regularly by post cart to Bloemfontein and on to Basutoland. Kimberley remained the Episcopal Residence for his successors Bishop Matthew Gaughren, OMI (1902 - 1914) and Bishop H J Meysing, OMI (1924 - 1951). During the interregnum (1914 - 1924) Bishop C Cox, OMI of the Transvaal was Administrator Apostolic.

On 11th January 1951, by Papal Bull, Pope Pius XII established the Ecclesiastical Hierarchy in the Union of South Africa, and set up the Ecclesiastical Province of Bloemfontein.

The Archdiocese includes the civil districts: Bloemfontein, Boshof, Brandfort, Dewetsdorp, Edenburg, Fauresmith, Jacobsdal, Philippolis, Reddersburg, Smithfield, Thaba Nchu, Trompsburg, Wepener, Zastron, and portion of Ladybrand, Hoopstad and Winburg.

Area: 64 393 sq km. Catholic Pop: 58 873. Total Pop: 668 731.

FORMER BISHOPS

With the establishment of the Hierarchy in 1951 Bishop H J Meysing was appointed first Archbishop and the Metropolitan of Bloemfontein.

Most Rev. Archbishop Herman Joseph Meysing, OMI, Resigned the Metropolitan See of Bloemfontein and was named Titular Archbishop of Derco, 25th June, 1954. Died 21 October, 1963.

PATRON:
The Immaculate Heart of Mary

Prior to 1924 this territory formed part of the Kimberley Vicariate. From 1924 it was known as the Kroonstad Vicariate. Mgr Leo Klerlein CSSp was appointed Prefect Apostolic in 1924, Vic. DIOCESE OF KEIMOES

(Province of Bloemfontein)

PATRONS:

1. The Immaculate Conception. 2. St Francis de Sales

Formerly part of the Central Prefecture, the Missions of Namaqualand came under the care of the Oblates of St Francis of Sales in 1882. In 1884, the territory was established as a separate Prefecture Apostolic and became the Orange River Vicariate in 1898. The name was changed to Keimoes Vicariate in 1940.

On the establishment of the Ecclesiastical Hierarchy in South Africa (11th January 1951), the Vicariate became known as the Diocese of Keimoes. Canonical possession of the new See was taken on 10th July 1951.

This Diocese is bounded on the West by the Atlantic Ocean; on the North, by South West Africa and Republic of Botswana; on the East, by the eastern limit of Gordonia and Kenhardt districts; on the South, by the southern boundaries of Van Rhynsdorp, Prieska, Kenhardt, Williston and Calvinia districts taken from Oudtshoorn Diocese and added to Keimoes by S.C. De Propaganda, 1979.

ARCHDIOCESE OF MASERU

Suffragan Sees: Leribe, Qacha's Nek, Mohale's Hoek

PATRONESS: Mary Immaculate

Lesotho (Basutoland until 4 October 1966) was a portion of the Natal Vicariate. It became a Prefecture on 8 May, 1894, comprising the whole territory then known as Basutoland. It was constituted a Vicariate on 18 February, 1909 by a Decree of Pope Pius X.

On the establishment of the Hierarchy in Southern Africa (11 January, 1951), the Vicariate became known as the Diocese of Maseru. On 1 December, 1952 the Northern Section of the Diocese was detached to form the new Diocese of Leribe. On 25 January 1961, by Papal Bull, Pope John XXIII established the ecclesiastical Hierarchy in Lesotho and raised the Diocese of Maseru to the status of a Metropolitan See, with the suffragan see of Leribe. On 30 April, 1961, the Diocese of Qacha's Nek was detached from the Archdiocese of Maseru, and on 2 April, 1978, the Diocese of Mohale's Hoek was also detached from the Archdiocese of Maseru, which now comprises the civil districts of Maseru and Berea.

THE HIERARCHY OF THE CATHOLIC CHURCH

ZIMBABWE

The Pope, as successor of St Peter Apostle, is the head of the Catholic Church. He has primacy of jurisdiction as well as honour over the entire Church and all of its members.

Bishops, in union with and in subordination to the Pope, serve the people of their own dioceses with ordinary authority and jurisdiction. They also share, in collegiate manner with the Pope and each other, concern and efforts for the general welfare of the whole Church.

The Zimbabwe Bishops form, as their coordinating body, the

ZIMBABWE CATHOLIC BISHOPS' CONFERENCE (ZCBC)

This conference, as distinct from the South African Catholic Bishops' Conference (SACBC), was *de iure* fully recognised by Official Decree of Propaganda on October 1, 1969.

From the Constitution of the ZCBC
The conference is an association of the local Ordinaries other than Vicars General of the Roman Catholic Church in Zimbabwe, their coadjutors, auxiliaries and other titular bishops who perform a special work entrusted to them by the Apostolic See, or by the Conference itself. A local Ordinary, prevented from attending a Plenary Session, may nominate his Vicar General or any other one of his clergy to represent him with full voting powers at such meetings.

All members of the Conference have a deliberative vote.

1. The Conference is primarily a consultative body and its resolutions outside the cases mentioned below under 2 have no binding force on the Ordinaries or their subjects except insofar as individual Ordinaries consent to support them.

2. In terms of paragraph 38, No 4 of the Decree of the Second Vatican Council on the Pastoral Office of Bishops 'Christus Dominus', decisions of the Conference are juridically binding in those cases and only in those cases prescribed by the common law or specified by a special mandate of the Holy See given 'Motu Proprio', or in response to a petition from the Conference, when they are made in due form by a two thirds majority of those present and are reviewed by the said Holy See.

3. Except insofar as the Conference is empowered to pass binding resolutions as set out in 2, it shall in no way limit, prejudice or interfere with the authority or work of the Ordinaries in their own dioceses.

4. The general aim of the Conference is to provide the Ordinaires of Zimbabwe with facilities for consultation and united action in all matters of common interest to the Church in Zimbabwe.

5. The office bearers of the Conference are the President, Vice-President and Secretary/Treasurer elected by secret ballot at a Plenary Session for a term of Three years.

6. The General Secretariate is at the service of the ZCBC: it collects information, acts as liaison between the various Episcopal Commissions, and between the Bishops' Conferences of other countries. It also keeps the Archives of the Bishops' Conference.

7. Although the Apostolic Delegate appointed for the area does not belong *de jure* to the Conference, it is desirable that for fraternal dialogue with the whole hierarchy of the Conference he should be invited to open at least the first meeting of each Plenary Session of the Conference. Furthermore, it shall be in order for the Apostolic Delegate to be present at other meetings of the Conference, either by a special mandate of the Holy See, or by the invitation of the Conference.

Apostolic Nunciature in Zimbabwe

The Holy See and the Republic of Zimbabwe established diplomatic relations on 26 June 80 at the level of Apostolic Nunciature on the part of the Holy See and of Embassy on the part of the Republic of Zimbabwe.

ARCHDIOCESE OF HARARE

JUSTITIA ET CARITAS

PATRON: St Peter Claver

This Archdiocese is but a fragment of the original Zambesi Mission which was entrusted to the Fathers of the Society of Jesus by Propaganda, 7 February 1879.

In 1893 the Portuguese territory was cut off and in 1927 the erection of the Broken Hill Prefecture further reduced the vast area to about half. The erection of the Independent Mission of Bulawayo (now Diocese) in 1930, reduced the area to 280 912 square km. In 1946, ten civil districts and part of an eleventh became the Prefecture of Fort Victoria (now Diocese of Gwelo) and were confided to the Bethlehem Fathers.

In 1953 the districts of Makoni, Inyanga and Umtali (with Melsetter and Chipinga from Fort Victoria Vicariate), were formed into the Umtali Prefecture (now Diocese), Selukwe, Gwelo and Que Que were transferred to the Fort Victoria Vicariate; and Sebungwe became part of the Wankie Prefecture (now Diocese).

In 1974 the districts of Darwin, Lomagundi, Sipolilo, Urungwe and that part of Kariba east of the Umniati River were formed into the Chinhoya Prefecture. This further reduced the area by 54 345 sq. km.

The Archdiocese is bounded on the north by the districts of Lomagundi, Sipolilo and Darwin; on the east by Mocambique and the districts of Inyanga, Makoni, Umtali and Melsetter; on the south by the districts of Bikita, Gutu, Chilimanzi and Que Que; on the west by the district of Gokwe.

The Archdiocese now comprises the civil districts of Mazoe, Bindura, Shamva, Mrewa, Mtoko, Gatooma, Hartley, Harare, Goromonzi, Marandellas, Charter Wedza and Buhera.

Area: 63 555 sq. km.   Estimated Pop: 2 358 937.   Catholic Pop: 208 146.

The Diocese of Lilongwe comprises the Civil Districts of Mchinji, Iilongwe, Dowa, Nkhota-kota and part of Kasungu District of Central Malawi. It is confided to the care of the White Fathers and the Carmelite Fathers.

The Diocese is bounded on the North by the Dwangwa River; on the East by Lake Malawi; on the South by the Diamphwe River; on the West by the political limits of the Zambian and Portuguese Territories.

The Vicariate Apostolic of Nyasa was erected on 12 February 1897. It then comprised the whole of Malawi and part of Zambia. Since then it has been divided into several Vicariates. In 1903, the Montfort Fathers were given the Southern region of Malawi and the Ncheu District of the Central Region. The year 1913 saw the erection of the Bangweolo Vicariate in then N. Rhodesia. In 1933, the new Lwanga Vicariate took over temporarily the northern part of Malawi. In 1947, the Northern Region was detached and came under the jurisdiction of the North Nyasa Prefecture. In 1951, the name of the Nyasa Vicariate was changed to that of Likuni. In 1956, the District of Dedza was detached to form with Ncheu District, (Zomba Vicariate) the Vicariate Apostolic of Dedza, being entrusted to the African Clergy. By a decree of the Congregation De Propaganda Fide, dated 20 June 1958, the name of Vicariate Apostolic of Likuni was changed to that of Lilongwe.

When the Hierarchy was established in Malawi on 25 April 1959, the Vicariate became the Diocese of Lilongwe.
